

Tire - AT27x9-12 (6 Ply) Carlisle AT489

X/L

RCT560470

Details

The AT489 XL tire is the heavy duty version of the original AT 489. It is an excellent choice for intermediate to hard surface use featuring a inch lug depth and lightweight construction. Made in the USA.

- Wrap-around shoulder lugs provide more side bite promoting forward traction while minimizing lateral slip
- 1/2 inch lug depth - deepest lug depth in all the AT489 series
- Constructed with shock absorption lugs
- 3* rated
- Soft to intermediate surfaces/mud

Specifications
