

Super Rewind Measuring Tape - 200'

RAF1810200E

Details

Most durable, open-type reel with 3 x 1 speed rewind. Blade and housing are rust and break-resistant. Comfortable "No-slip" grip handle. Wide base crank handle for increased durability. Corrosion resistant, even to salt water, providing 3 times the usual tape life. Metal, planetary gearing for super-fast rewind and no more stripped gears! ABS precision-molded housing. Measures in feet, inches, 1/8" and 1/10 and 1/100 units. Ring attachment.
