

Corona Pump-Action Grass Shear - 5in RCGS3760

Details

The Corona 5" Pump-Action Grass Shear has a professional scissor cutting action and resharpenable, high-carbon steel alloy blades that are fully heat treated for strength. These shears are strong enough to cut tough sod and ground cover with comfortable non-slip rubber grips on a cast aluminum body. Features an adjustable tension control.

- Professional scissor cutting action
- Resharpenable, high-carbon steel alloy blades
- Fully heat-treated for strength
- Comfortable, non-slip rubber grip
- Cuts tough sod and ground cover
