

Reelcraft Electric Cord Reel 45ft

RCL45451237

Details

Series L4000 & L5000 power cord and light reels offer many different styles of outlets and lamps. Easy to mount and structurally strong, the power cord and light reels have robotically welded heavy gauge steel frames that attach to most structurally sound surfaces. Multiple guide arm positions allow for versatile use and easier field adjustment. The drive mechanism is enclosed for protection against the environment. Fewer components increase the service life of the reel and improve performance. For indoor, non-weatherproof applications only. 115 Volt.
