

Echo Super Chain For 18in Bar REC20LPX72CQ

Details

ECHO's 18 in. replacement chain (20LPX72CQ) is designed with professional loggers and forest workers in mind. Power and precision are the name of the game with this chain. The low-vibration full chisel cutters deliver ultimate performance, while the offset depth gauges prevent cutters from driving into the sidewall, which in turn provides a smoother cut. The enhanced cutter coating provides superior protection against corrosion resistance. By replacing your chain with a genuine ECHO replacement chainsaw chain that's been manufactured to deliver maximum performance and reliability you help to extend the life of your chainsaw bar and keep your equipment running at peak performance.

- Full chisel cutters with offset depth gauges
- Compatible with 18F0LD3372C ECHO guide bar for CS-501P
- Speed, power and precision for a smooth cut
- Special coated cutters for extended protection
- Top plate filing indicators make sharpening easier
- Standard sequence cutting type
- .050" gauge and .325" pitch
- Drive link count - 72
