

Echo Red Armor 2-CYCLE Oil - 2.6 oz - 1 gal Mix - Case/6

REC6550001

Details

Designed to specifically remove performance-robbing carbon deposits from 2-cycle engines. Red Armour Oil has an exclusive partially-synthetic formula that includes powerful detergents and antioxidants to remove carbon deposits, while protecting against future carbon build-up. The fuel stays fresh up to 2 years in a properly sealed container with a unique fuel stabilizer blended in. Package of 6 bottles.
