

EGO 20in Lawn Mower Blade - High Lift

REGAB2001

Details

The EGO 20in Lawn Mower High Lift Blade is specifically designed for more efficient bagging of grass clippings when used with EGO POWER+ 56-Volt Lithium-Ion Cordless Mowers LM2000-S, LM2020 and LM2020SP models. The High Lift Blade should not be used for mulching operations with the mulching plug in place. EGO parts are designed specifically for your EGO POWER+ Lawn Mower and offer the highest quality, performance and value.

- Increases efficiency when bagging grass clippings
- Deliveers clean cut to promote healthy lawn
- Not recommended for use with the EGO Mulching Plug
- For use with EGO Cordless Lawn Mowers LM2000-5, LM2020-6 and LM2020WSP
