

EGO 14in Chainsaw Chain

REGAC1400

Details

The EGO 14" chain saw chain is the only chain we recommended for use with the EGO P (90PX052X), and is a component of OREGON's Micro-Lite Narrow-Kerf cutting system. The low-kickback design enhances user safety.

- Low Kick Design
- .043-inch Gauge
- 3/8-inch Low Pro Pitch
- Genuine EGO parts ensure compatibility, quality and performance
- Replacement chain for POWER+ 14" Chain Saw (CS1400)
