

Cutting Unit Rack - Fairway

R1075

Details

Store and protect up to 6 large fairway cutting units in the same space as two! The R&R Fairway Cutting Unit Rack with welded cantilever design is made of heavy gauge tubular steel to provide years of service. Adjustable steel arms bolt in place to provide the exact spacing for your particular units. Powder-coated finish. 57"H x 49"L x 29"W. Use the RJ140501 Jet Winch Stacker for lifting cutting units onto the rack.

Please note: Due to excessive air freight charges, this item will be shipped ground freight.
