

## Underhill Hosetap Adapter - with 4in Riser (Nipple) 1in NPT Threads - Fits All Rain Bird Eagle 700 Series Golf Sprinklers

RG2717

## Details

Transform your Toro or Rain Bird electric valve-inhead sprinklers into a hose tap. This all metal sprinkler hose adapter is ideal for fast connection when a quick-coupler or hose bib is not available. Made of long life anodized aircraft aluminum. Color coded for easy sprinkler manufacturer identification. Includes metal disc, o-ring, and riser (nipple). Brass swivel sold separately.
