

Ecoduty Biodegradable Stakes - 6"

Box/500

R11207

Details

Heavy duty contractor grade stakes with alternating ribs provide maximum holding power and rigidity. Alternating rib design with "stay put" design grabs and holds sod, erosion control blankets netting and landscape netting with unmatched staking power on slopes or uneven conditions. The larger round top head provides easier installation. Degradable in 9 to 12 months with no removal necessary. Saves on labor and time. Contractor grade. Available in 4" or 6" length.

Specifications

Manufacturer	R&R Products
Length	6 in
Package Quantity	500
