

Newstripe 4600 Self-Propelled Airless Striping Machine

RNS4600SP

Details

Self-propelled, high pressure airless field and pavement striper. Spray from a 5-gallon bucket with a 0-3000 psi pressure pump for thinned or non-thinned paints. Handle mounted controls. The 10" pneumatic balloon tires and 4-wheel design provide smooth lines on smooth concrete or rough athletic fields. Color changes and clean up in five minutes. Quick release spray gun to paint stencils, curbs and hard to reach areas with 25' hose. Optional rear caster available. 175 lbs. 36 month warranty.

- 126 cc Subaru Robin, OHC engine
- Sprays directly from 5-gallon pail
- All-welded steel construction
- Sprays water-base or oil base paints
- Easy clean-up
