

Park Bench with Back - Forest Green

RP1455FG

Details

A comfortable bench offers the golfer an ideal opportunity to appreciate the beauty of his surroundings, catch his breath, and relax for a moment. The value of providing adequate seating on the course cannot be underestimated. Solid Oak 6' benches are finished with marine varnish for beauty and long life. Steel frame, powder-coated paint.

- Solid oak finished with marine varnish
- Steel frame with powder-coated paint
