

Scarifier Lute Rake 36in

RP52936

Details

This 36in two sided rake features fine serrated teeth on one side to break up hardened surface materials and a leveling blade on the other to smooth, level and spread material. The curved rake head is designed to move larger amounts of soil faster and with less effort. Excellent for infield topdressing on baseball and softball diamonds, as well as, clay tennis courts. Heavy duty 66" powder-coated blue aluminum handle with vinyl grip and strong bolted through wrap-around bracing.
