

Strap Chapps - Dk Green - Pair

RS0609

Details

Strap Chapps are the ideal leg protection covering from the top of the knees down to the top of your feet. This protects the front and side of the legs, leaving the back slightly open. Elastic straps and Velcro fasteners hold Chapps securely in place. Designed to keep your socks and shoelaces clean and prevent foreign objects from getting inside your shoes. Height system allows each chap to adjust for desired leg length. Fully adjustable. Machine washable. One size fits all. Made in U.S.A.

- Knee to foot protection
- Elastic straps and hook fasteners for security
- Height adjustable
- One size fits all.
- Made in USA
