

Rotary Seed Slotter R2113

Details

Rotary tool overseeds effectively while protecting the turf surface. Its flat-bottom slot blades only penetrate 1/2" which allows more seed to germinate quickly. Moisture is absorbed better, producing stronger root growth. Less seed is wasted and less play time is lost on the course. Twelve blade slotter reel and footpad. 12" width; 12-1/2 lbs. Includes removable 6' fiberglass handle.

- Eliminates seed waste
- Protects turf surface
- Only penetrates 1/2" so more seed germinates quickly
- Moisture absorbs better
- For stronger root growth
- Less lost play time
- 12 slotter blades
- 12" wide head
- Weight 12-1/2 lbs.
