

Cocoa Fiber Tow Drag Mat - 6' x 2' 35 lbs

RSP1040

Details

A proven "single pass performance" method for top dressing golf course greens. This mat will not damage, burn or bruise tender grass. The natural cocoa fiber offers superb brooming action while effectively filling aerated holes. 2-ply backing provides multi-season use. Tow with a cart, mower or any prime mover. No maintenance. Fully assembled.
