

Tire Changer

R100

Details

Virtually unlimited size range, from golf carts & sand trap rakes, commercial mowers, front tractor tires to automobile. Changer is complete with the Small Tire Changer Attachment. Completely manual, no air or electrical hook-up required. Bolting the changer down is all that is required for operation. Changes all popular sizes from 4" through large 16.5" flotation tires. All steel construction. Tool holder rack for accessories and mount/demount bars. Made in USA. 2 year warranty. Please note: Due to excessive air freight charges, this item will be shipped ground freight.
