

Mechanix Wear Utility Gloves

R7044-

Details

Step up to an all-purpose glove that features quality and value. This glove is ideal for both large and small jobs. Two-way form fitting TrekDry top and patterned finger areas give an improved fit and feel to the top of your hand. Elastic cuff with hook and loop closure, and synthetic leather palm offer a great fit with the right amount of protection at an affordable price.

- Moisture-wicking Trek Dry top
- Anatomically cut thumb for exceptional fit
