

# Mechanix Wear Safety Fast Fit Gloves R7058HVY-

## Details

The Safety FastFit glove provides a high-visibility outer shell with compliant reflective and fluorescent materials for hazardous environments. Highvisibility, moisture-wicking material wraps the top of the hand while the 3M reflective ink provides luminance. Synthetic leather protects the palm for improved wear with an elastic cuff for a secure, second-skin fit and easy on/off flexibility.

- 3M reflective panel for added visibility
- Improved wear when handling tools
