

Lapping Compound - Pre-Mixed 10 lb. R910

Details

Silicon Citrus Pre-Mixed Reel Sharpening Compound, manufactured by R&R Products, is a silicon based gel guaranteed not to separate. Silicon Citrus is biodegradable and water soluble for ease of cleaning when lapping is complete. Available in 50 grit (coarse), 80 and 100 grit (medium), 120 grit (fine), 180 grit (super fine) or 220 grit (extra super fine). Recommended use: 80 grit on fairway cutting units with 7" to 10" dia. reels, 120 grit for greensmowers and fairway units with 3-1/2" to 5" dia. reels.
