

3M Particulate Respirator Mask - Box/20 R3M08210

Details

Designed to help provide quality, reliable worker protection against certain non-oil-based particles. At least 95% filtration efficiency against solid and liquid aerosols that do not contain oil. Advanced electrostatically charged microfibers make breathing easier and cooler. Comfortable to wear and easy to use. Lightweight construction. Adjustable nose clip to provide a custom fit and secure seal. Ideal for grinding, sanding, sweeping, woodworking, and bagging. NIOSH approved N95. Box of 20.
