

Divot Bottle Storage Caddie

RP106071

Details

Made of premium solid sheet recycled plastic lumber with slat design, this divot bottle container is the perfect size to accommodate nine 4-1/2" diameter divot bottles. Stainless steel screws prevent rust and corrosion. Legs prevent grass bruising. Pick up and move easily with the slotted hand opening. Available in Green, Driftwood, Brown or Black.

- Recycled plastic lumber in attractive slat design
- Holds 9 bottles
- Stainless steel screws
- Easy to move and place where needed
- Divot filler bottles not included
